Dear Hiring Team at OICT Solutions

I am writing to apply for the Full-Time Developer position. With a strong interest in web, mobile, and ERP development, and experience using technologies like Python, MERN Stack, JavaScript, C#, ASP.NET, I am excited about the opportunity to grow within your innovative and fast-paced team.

I admire OICT Solutions' impact across industries and its focus on cutting-edge tools and continuous learning. I am confident my creativity, technical skills, and eagerness to grow make me a strong fit for your team.

Please find my CV and supporting documents attached. Thank you for considering my application.

Sincerely,

Lidiya Haile
